WOMEN'S

Philanthropic Giving Circle of Central Florida

Faith-filled giving. Collective impact.

Our Impact (First Three Years)

- **\$72,250 granted to 16 nonprofits**
- Supporting programs for women, children, hunger, and healing
- Empowering local ministries to serve with compassion and strength

Amplify Your Impact

Together, our giving goes further. By pooling gifts, we award transformational grants to Catholic and community nonprofits aligned with Catholic values across Central Florida.

Connect in Faith

Build meaningful relationships with women who share your Catholic values through the Kickoff Mass and Retreat, fellowship events, site visits, and the annual Pitch Party and Grant Celebration.

Leave a Lasting Legacy

Your membership supports immediate needs and builds an endowment for future generations—faithful giving that endures.

How It Works

1. **Join** at your chosen membership level
2. **Gather** for prayer and fellowship
3. **Learn** about local nonprofit needs
4. **Vote** to select grant recipients
5. **Celebrate** the impact your gift creates
6. **Grow** as a steward and sister in Christ

Membership funds are posted in a Donor Advised Fund and invested for growth in a Catholic compliant investment portfolio. Members actively participate in the grant selection process.

Why It Matters

“Together, we’re not just giving—we’re building a legacy of faith, hope, and love.”

- Deepen your Catholic identity through acts of charity
- Support causes aligned with Gospel values
- Be part of something bigger than yourself
